SECRET

3. MEDC

a. The 26th Midcareer Course was officially opened on 28 October 1970 by General Cushman, Deputy Director of Central Intelligence, who briefly outlined the objectives of the course and emphasized the Agency's interest in the six weeks of training. The 26th class, with an average age of 39.4 years, is the second youngest in the history of the course -- second only to the seventh running, which had an average Midcareerist age of 38.6 years.

25X1A6a
